## Battle Verse

Write the verse (below) on pieces of paper, with one to two words per piece. Have everyone help put the pieces of the verse in order. Read the verse carefully so everyone can begin to memorize it.

Next, divide into 2 teams. Choose one kid from each team to battle against each other by playing a round of "Rock, Paper, Scissors." (Ask your parents if you don't know how to play). Play the best 2 out of 3 to determine which team wins the round.

The winning kid gets to remove one card from the Bible verse. The team that lost the round will then have to recite the verse with the missing words. Continue playing until all of the cards have been removed and the teams have recited the verse completely from memory.

Psalm 33:18 - But the eyes of the Lord are on those who fear him, on those whose hope is in his unfailing love.

# Travels of the Ark

While at war with the Philistines, the Israelites were losing men and losing battles. They brought the Ark of the Covenant to the battlefield in the hopes that God would give them victory. However, the Israelites lost, so the Philistines took the Ark of the Covenant. Follow the path of the Ark through the Maze.

After receiving the Ark of the Covenant again, the Israelites rejoiced and praised God.
