

What is Gods' will for my life?

The question has preoccupied or trouble the hearts of Jesus-followers for centuries. The Bible instructs and lays out much of God's will: "Don't lie, don't kill, love the Lord your God, love your neighbor, love one another," and the list goes on and on. Those macro-commands are foundational, but what about career, and people and?" Knowing your spiritual gifting can help you hone in and understand God's will for your life more specifically.

God gives you Spiritual Gifts, and they are part of your nature to be refined for His purposes through you. While much material is available to help people recognize their particular Spiritual Gifts, most do not understand the relationships of their gifts: How a spiritual gift relates to their lives, other people's lives, to the local church, and to the body of Christ as a whole. Knowing your spiritual gift equips you to fulfill God's purpose for your life.

This two-and-a-half-hour workshop is designed to help you identify and discover fundamental realities of your Spiritual Gifts and then to begin uncovering how God may be calling you to engage those Gifts for His purposes.

When the workshop concludes, you will walk away well acquainted with at least two of your spiritual gifts, with a basic understanding of the characteristics, burdens, desires, and strengths; as well as with a fundamental awareness of what weaknesses people with your gifting may experience, and how you may likely be misunderstood, or attacked by Satan. You will also make some initial identifications about where God may be asking you to join Him at work using your gifting.
